

Pepperland Music Camp 2012
July 8-21
“A Unique Adventure for Young
People 8-16 Years of Age”

We offer young people an opportunity to tune into their inner musician through a variety of activities that will enhance every camper’s skills, whether they have previous experience or are looking for new horizons.

Our instructors for the 2012 Music Program are all well known Atlanta Based Musicians including; Caroline Aiken, Ben Farmer, Alex Tramble, Mikhail Peterson, and many other talented artists.

Our teachers plan to encourage and inspire the kids to freely express themselves through music, movement, and art.

Music is another way to communicate: Instructors begin by seeing what interests each child has. Experiencing an instrument first-hand enables a child to discover which instrument they connect with.

Camp ends with a performance by the kids for family and friends:

Other activities include creative movement and dance, earthskills, woods walks, arts and crafts, and swimming.

Musical Experience:

We are dedicated to providing an experience for each camper which builds self-esteem while exploring and learning together.

No previous musical experience is required! Beginners are welcome in our camp family. Together we explore and encourage creativity through instruments and vocals. Campers receive instruction in vocals, drums, guitar, bass, keyboard, and more. While we encour-

age campers to bring their own instruments, one will be provided to those who need them.

Camp Staff:

We call on the talents of many guest instructors and behind the scene staff to provide a broad range of musical instruction and skill to campers. In past years, camp has been honored to host the following instructors; Donna Hopkins, Jeff Sipe, Melissa Massey, Richie Jones, Diane Durrett, and many others.

Volunteers Needed; Music camp would not be possible without the help of many volunteers before and during camp. Please ask how you can help.

Accommodations:

Campers will be housed in rustic-style cabins with bunk beds. Counselors: each cabin will have an assigned counselor who will be responsible for the well being of the group.

Meals and snacks will be provided each day. Safety is of the utmost importance at Pepperland. Our staff include individuals who are certified in CPR and First Aid.
